HANDCRAFTED GOODS DESIGNED TO CELEBRATE
ACHIEVEMENT, TRADITION, AND LEGACY — CREATED WITH
INTENTION AND BUILT TO LAST FOR GENERATIONS.

ABOUT US

BBIG Designs was founded on a simple belief: the most meaningful pieces are made by hand, with intention. Since 2013, we have specialized in creating heirloom-quality buckles, belts, awards, and accessories that honor tradition while embracing modern craftsmanship.

Every piece is hand-cut using a jeweler's saw — never stamped or mass-produced — allowing for exceptional detail and character. From championship events and corporate programs to personal milestones, BBIG Designs creates pieces that celebrate achievement, leadership, and lasting legacy.

HANDCRAFTED EXCELLENCE

Each product is meticulously hand-cut and finished, ensuring no two pieces are ever exactly alike. Our process prioritizes quality over speed, resulting in work that stands the test of time.

BUILT WITH PURPOSE

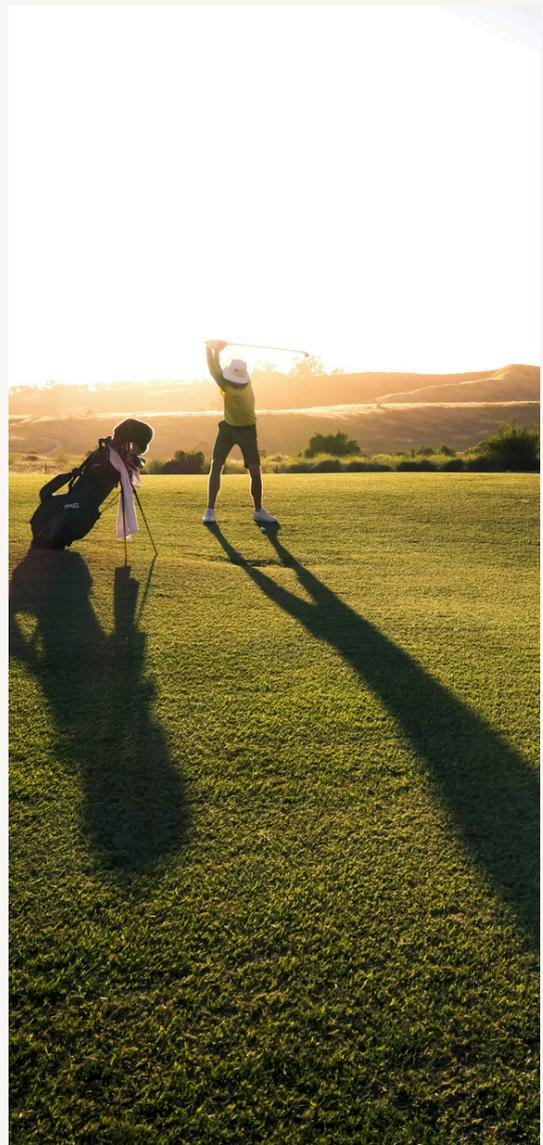

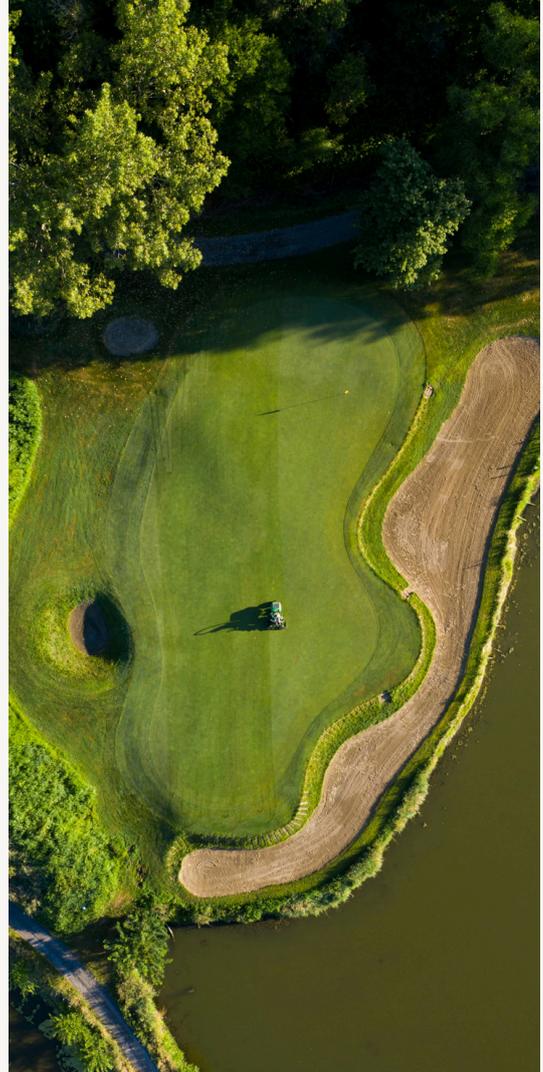

We design with meaning in mind. Every buckle, belt, and award is created to commemorate achievement, leadership, and moments worth remembering.

TRUSTED PARTNERSHIPS

BBIG Designs proudly collaborates with golf clubs, organizations, and brands nationwide. Our work has been featured in member-guest tournaments, championships, and corporate programs across the country.
